- B. Review by '**Building Inspectors**' - for building code requirements.
- C. Execution of an **Encroachment Agreement** – Usually Downtown, and applies to signs and awnings encroaching public right-of-way.
- D. Encroachment into **Easements Release** - requires a letter of release from all affected public franchised utility companies, and should accompany applications. (Some Easements may require vacation.)
- E. **Transportation and Public Works** – Requirements for driveway permits, sidewalks, curbs, and gutters, Community Facility Agreements, etc.

  - **Scenic Preservation and Design Review Commission** – Board of Adjustment must approve Special Exceptions and Variances regarding Telecommunications Towers, Stealth Towers, and Antenna before SPDRC Hearing for design review.
  - **City Plan Commission** - There may be subdivision platting issues requiring application and hearing before the Commission.
  - **City Zoning Commission** - There may be zoning change issues requiring an application and hearing before the Commission and the City Council.

**DDRB APPROVALS MUST BE SOUGHT FIRST.**
